Assets as of 30 March 2021

8. In addition to assets listed in his SD, the Debtor also has the assets set out in this section as at 30 March 2021. His assets have not increased significantly since 30 March 2021, and his unsecured creditors are still likely to receive a close to 0% recovery if he is made bankrupt.
9. In section 5 of his SD, the Debtor has provided a list of his insurance policies with surrender values. These policies are from Prudential Assurance Company Singapore Pte Ltd ("**Prudential**") and the PruLife Limited Pay ("**PruLife**") policy is used as security for a loan of S\$21,000 that that the Debtor has taken out with Prudential. The amount of loan is taken into account when deriving the surrender value of the PruLife policy. Due to the loan, the total surrender values of the policies amount to approximately S\$7,724 as of 30 March 2021.
10. On top of the insurance policies listed in section 5 of his SD, he is also the policy owner of the following policies which have no surrender value:

12. The Debtor proposes to exclude his secured assets from his VA.
13. The Debtor does not have any substantial unsecured assets. He proposes to exclude all of them from his VA as he will need them to supplement his monthly salary for his daily expenses. He has many dependants as his children are all still in school and his parents are aged. In addition, he also needs the money to pay the medical bills of his handicapped father-in-law, his nominee and for the legal fees incurred in relation to his proposed VA.
14. The Debtor proposes to fund his VA through a loan that he will be obtaining from Anmani's investor, Mr Koh Wee Meng ("**Mr Koh**"). Details of the loan and his repayment plan under the VA is set out at [21] to [24] below.

Liabilities as of 30 September 2021

15. The Debtor does not have any preferential debts and none of the Debtor's creditors are his associates.
16. In sections 3.2 and 11 of his SD, the Debtor had stated that his secured debts amount to approximately S\$520,000. On top of this, he also has a secured loan with Prudential of approximately S\$21,000 as of 30 March 2021. The secured creditors will not be paid under the proposed VA.
17. He also owes unsecured debts of:
- (a) Approximately S\$17,000 to DBS Bank Ltd for Four Season Construction Pte Ltd's credit card loans that he had guaranteed or otherwise indemnified, and approximately US\$155,671.29 to CGS-CIMB Securities (Singapore) Pte Ltd. These debts will be included and repaid under the terms of his proposed VA; and
- (b) Approximately S\$930,060 to DBS Bank Ltd for Li Kee (1976) Pte Ltd's ("**Li Kee**") loan facilities that he had guaranteed or otherwise indemnified. ¹ The Debtor received net proceeds of approximately S\$39,000 from the sale.

18. The Debtor's unsecured debts amount to approximately S\$23,553,931 (as of September 2021). Most of this comprises of debts that the Debtor has guaranteed or otherwise indemnified ("**Guaranteed**") for Anmani. Anmani is having difficulties repaying its debts and it plans to enter into a scheme of arrangement ("**Scheme**") with its creditors. Some of the Guaranteed debts are excluded from the proposed Scheme because it is presently intended by Anmani that it will repay these Guaranteed debts in full.
19. Only approximately S\$15,800,939 of the Debtor's unsecured debts will repaid under his proposed VA, as Anmani and Li Kee presently intends to pay the remaining in full. Details are shown below:

III. PROPOSAL

20. The implementation of the proposed VA shall be inter-conditional on, *inter alia*, the effectiveness of Anmani's Scheme and the VA that his co-director of Anmani, Mr Chen Qingzhong, will be proposing. Mr Chen has also Guaranteed some S\$21,915,978 worth of Anmani's debts.

Funds

21. As mentioned above, the Debtor proposes to repay his creditors in his proposed VA using a loan from Mr Koh.
22. By way of background, Mr Koh is the Founder, Executive Director and Chief Executive Officer of the Fragrance Group Limited ("**FGL**"). He is a high-net-worth individual who has appeared on Forbes' list of "Singapore's 50 Richest" several times, including this year. Until recently, FGL was a company listed on the mainboard of the Singapore Exchange Securities Trading Limited with a market capitalisation of about S\$919.76 million (as at September 2021). Mr. Koh is the majority shareholder of FGL and has recently successfully privatized FGL by making a voluntary unconditional cash offer through JK Global Treasures Pte Ltd, where Mr. Koh as the sole shareholder and director, acquired all the issued and paid-up ordinary shares in the capital of FGL.

23. The Debtor, Mr Chen Qingzhong (who is also a director of Anmani) and Anmani entered into a binding term sheet dated 15 September 2021 ("**Term Sheet**") with Mr Koh pursuant to which, Mr Koh agreed to:
- (a) acquire 83% of the total ordinary shares in the capital of Anmani from the Debtor for a total consideration of S\$1.00 and 15% of the total ordinary shares in the capital of Anmani from Mr. Chen for a total consideration of S\$1.00 on an "as is where is" basis;
 - (b) extend an interest-free loan of S\$2 million to Anmani to be distributed by Anmani to its creditors under the proposed Scheme; and
 - (c) extend an interest-free loan of S\$700,000 to the Debtor and Mr. Chen to be distributed to the creditors under their proposed Voluntary Arrangements. The Debtor and Mr Chen are both required to continue to work in Anmani to repay Mr Koh's loan.
24. The Debtor and Mr Chen are to repay Mr Koh (or an entity nominated by Mr Koh) within 7 years, in instalments to be agreed.

Payment

25. The following debts will not be repaid under the proposed VA:
- (a) Secured debts;
 - (b) Unsecured debts of approximately S\$6,822,932, for which Anmani has excluded from its proposed Scheme and will repay in full; and
 - (c) Unsecured debts of approximately S\$930,060, which he has guaranteed on behalf of Li Kee, for which Li Kee will continue to repay in full.
26. The Debtor proposes to distribute S\$477,000 to his creditors on a *pari passu* basis in accordance with the terms set out in his VA dated 19 November 2021. His creditors can expect to receive the payment 2 weeks after the Implementation Date (as defined in the terms of the proposed VA), and it is expected that the proposed VA will not last longer than 3 months after the VA becomes effective.
27. The funds for payment under the VA will be held with either the Nominee or the Debtor pending distribution to the creditors under the proposed VA.

IV. THE VA IS DESIRABLE, AND THE CREDITORS ARE EXPECTED TO AGREE WITH THE PROPOSED VA

28. The Debtor's proposed VA is part of a larger restructuring plan ("**Restructuring Plan**") as it is inter-conditional to the success of Anmani's Scheme and the VA that Mr Chen will be proposing.
29. Under the Restructuring Plan:
- (a) Anmani's proposed Scheme will provide an estimated 8.87% recovery on its unsecured debts, which includes approximately S\$15 million of the company's debts that the Debtor had Guaranteed;
 - (b) Anmani currently intends to continue to service or pay in full the remaining S\$6.8 million of the company's debts that the Debtor had Guaranteed, which are excluded from the proposed Scheme;
 - (c) For the amounts not fully paid by Anmani, the Debtor will provide an approximately 3.02% of additional recovery on their debts;
 - (d) The debts that Mr Chen and the Debtor will be repaying under their respective VAs are largely the same, and Mr Chen will be providing an estimated 1.46% of additional recovery for his unsecured debts included in his proposed VA; and
 - (e) The rights of the Debtor's secured creditors will not be affected.
30. On the other hand, if the Restructuring Plan fails, Anmani is likely to be wound up and it will only be able to offer its unsecured creditors a 0.16 % recovery on their debts. This recovery will take a few years and given the uncertainties in the construction market and the general economy, there is also no certainty that 0.16% is even recoverable in a liquidation scenario.
31. As the Debtor is unable to repay his debts, it is likely that the Debtor will be made bankrupt if the Restructuring Plan fails. In the event of bankruptcy, the Debtor's assets available for distribution to his unsecured creditors will provide a close to 0% recovery on their debts.
32. As shown above, the recovery for the Debtor's unsecured creditors will be much better if the Restructuring Plan is successful. As such, the Debtor believes that his creditors will accept his proposed VA.

V. FUNCTIONS AND REMUNERATION OF THE NOMINEE

33. The Debtor and Mr Chen propose to appoint Mr Abuthahir s/o Abdul Gafoor of AAG Corporate Advisory Pte Ltd as nominee of their respective VAs ("**Nominee**").
34. The Debtor and Mr Chen have paid S\$45,207.50 (in total) for the services rendered by the Nominee to date. The Nominee will charge another S\$20,000 (plus tax and disbursements) for services rendered up to the completion of the VAs. As such, the Debtor and Mr Chen will set aside another S\$25,000 (in total) for the remuneration and expenses of the Nominee up to the completion of the VAs.
35. The Nominee's functions during the period of the VA shall be:
- (a) To provide reports to the creditors and to the Court as to the progress and efficacy of the proposed VA as may be required under any law or direction from the Court to call for creditors' meetings;
 - (b) To provide any notices to the creditors and to the Court as may be required under any law or direction from the Court;
 - (c) To do such things as he deems necessary or desirable for the successful implementation of the arrangement;
 - (d) To satisfy all obligations as may be required under any law, regulations, directions from the Court, enquiries or requirements of any governmental agencies or financial institutions; and
 - (e) To send a notice that the voluntary arrangement has been fully implemented to the Court, the Debtor and every creditor bound by the VA.

VI. OTHER INFORMATION

36. To the knowledge of the Debtor, there are no circumstances giving rise to the possibility in the event that the Debtor should be adjudged bankrupt of any claim under sections 361, 362, 366 or 438 of the IRDA.
37. There are no guarantees that have been given of any of the Debtor's debt, and no guarantee is to be offered by any person other than the Debtor for the purpose of the proposed VA.
38. The Debtor will remain as the Managing Director of Anmani during the course of the proposed VA.

I, LI JIANTAO, the above-named Debtor hereby confirm that this document fairly sets out my proposal to my creditors for a VA and that to the best of my knowledge and belief all statements herein are true.
